

# SUNY Niagara High School Equivalency Program

SUNY Niagara's High School Equivalency program allows students who do not have a high school diploma to work on obtaining a High School Equivalency diploma while earning college credit. Students take courses that meet the New York State 24 College Credit Pathway requirements and may be able to apply the credits to a college degree.

Students pay per credit hour. This program does not qualify for financial aid or scholarships.

**Tuition information can be found here:**

<https://www.niagaracc.suny.edu/tuition/rates/>

## How is this program different from GED prep classes?

The 24 College Credit Pathway is an alternative option to earning a High School Equivalency diploma. Students who wish to earn their High School Equivalency diploma by taking take a GED test should visit GED Testing Service website at [ged.com](http://ged.com)

SUNY Niagara does not offer GED prep classes and cannot schedule students for GED tests.
